You're in charge of your vacation... and there's lots to choose from!

Do you want to fish, or get right into watersports? Do you want to visit Tulabi Falls or back pack in the woods? _____

Or do you just want to lay back in a lawn chair, soak up the sun on our beautiful sandy beach and do absolutely nothing at all? It's totally up to you! _____

If you want to really get away from it all, we are the lodge for you. Pristine wilderness, with plentiful game and miles of untouched forest to give you a real taste of Manitoba. _____

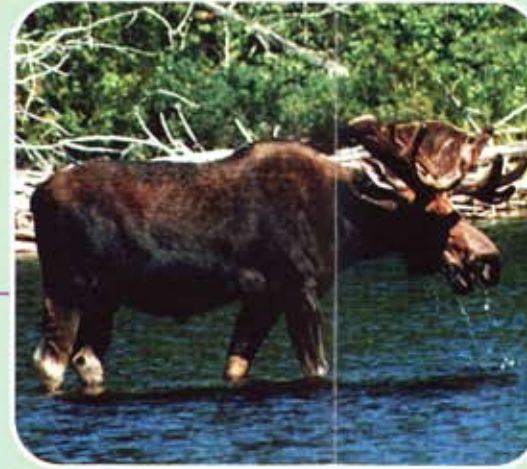

We also offer day trips into Booster, Binse, Shoe, Tooth Tulabi and Osis lakes for excellent Bass, Walleye and Pike fishing. _____

There are many trails for the cyclist, skier or hiker that can take you away from civilization. Nopiming is a Native word meaning entrance to the wilderness. _____

Nopiming Lodge has a well stocked store which carries all the basics. _____

Our restaurant boasts home-cooked meals with generous portions. We carry live & frozen bait and a good line of workable tackle. Gas & oils are available. _____

Nopiming Lodge is open year round for some excellent ice fishing for trophy Northern in winter. We also have groomed snowmobile trails leading from our front door all the way back to Lac Du Bonnet or Powerview, making an excellent day trip. _____

We boast many miles of maintained snowmobile trails that take you deep into the wilderness, where sightings of wild life such as moose and deer are common. _____

We hope to see you this year and if we can do anything to accommodate you further, please call us! _____
